DESCRIPTION

The 135800 Euro container dolly adds a fixed push handle to the low dolly base and allows upright pushing over longer distances. This makes Euro container transport more ergonomic than a plain dolly while keeping the 250 kg capacity.

BENEFITS

- 250 kg capacity on a 605 x 408 mm surface
- Push handle raises push height to 970 mm for upright pushing
- Low 182 mm loading height for easy loading and unloading
- Four swivel castors, 125 mm TPE tyres, agile and quiet
