DESCRIPTION

The Fetra 18212-1 shelf trolley from the Super-MultiVario range is built for heavy in-house loads and carries a total of 1200 kg across four levels. The modular 100 mm pitch lets you adapt the deck spacing to the load.

BENEFITS

- Total capacity 1200 kg, 180 kg per deck across four levels.
- 1 fixed and 3 loose decks with non-slip screen-printed waterproof plywood, one side non-slip, the other smooth.
- 200 mm Elastic solid-rubber wheels, blue-grey non-marking, ball-bearing hubs for easy travel under load.
- 2 swivel and 2 fixed castors, brakes on the swivel castors.
- Welded steel-tube and profile-steel frame, powder-coated blue RAL 5007.
