Country of Manufacture	Germany
HS-Code	73269098
Warranty	10 years
Weight	18 kg

DESCRIPTION

The Fetra 22911 is a stacking frame for pallet dollies up to 1200 kg. The welded angle-steel construction with corner catches creates a second level above the dolly.

KEY BENEFITS

- Second level for stacking flat pallets and mesh boxes
- Sturdy support tubes with foot plates and corner catches keep the load stable
- Fits pallet dollies with a 1210 x 810 mm usable area
- Rated for dollies up to 1200 kg load capacity

TECHNICAL DATA

- Usable area: 1210 x 810 mm
- Height without dolly: 270 mm
- Height with dolly: 552 mm
- Version: welded angle-steel construction with corner catches
- For pallet dollies up to 1200 kg

APPLICATIONS

For space-saving stacking of two pallets on one dolly in warehousing, order picking and dispatch.

QUALITY AND SERVICE

Made in Germany, 10-year warranty on the welded frame.
