Item no. FE-22892/7016

Manufacturer Fetra

EAN 4017976655314

Clip-on push handle accessory for Fetra pallet dollies from 810 mm width. Turns the dolly into a hand-pushed, steerable cart without any tools.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73269098
Warranty	10 years
Weight	7.5 kg

DESCRIPTION

The Fetra 22892-7016 is a clip-on push handle for pallet dollies with a deck width from 810 mm in the Grey Edition. It upgrades a pallet dolly into a hand-pushed cart without any tools.

KEY BENEFITS

- Clips on without tools, removable when not needed
- Ergonomic pushing and steering instead of pulling the dolly
- Fits pallet dollies with a deck width from 810 mm
- Sturdy steel construction built for sustained use

TECHNICAL DATA

- Version: clip-on push handle, accessory
- Suitable from deck width: 810 mm
- Net weight: 7.5 kg
- Material: steel

APPLICATIONS

For sites that occasionally move pallet dollies by hand rather than by forklift, for example in order picking or at the assembly station.

QUALITY AND SERVICE

Made in Germany, 10-year warranty on the welded frame.
