

Roller Traverse for Cantilever-Arm Trolley - Fetra E4614RT

Item no. FE-E4614RT

Manufacturer Fetra

EAN 4017976461403

Roller traverse that carries the running or swivel castors of Fetra cantilever-arm trolleys. It widens the wheel base and improves stability and tracking. Mounting hardware for the castors is included.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87169090
Warranty	10 years
Weight	5.12 kg

DESCRIPTION

The E4614RT roller traverse carries the running and swivel castors of a Fetra cantilever-arm trolley and links the chassis to the post. At 805 x 425 x 245 mm it widens the wheel base.

KEY BENEFITS

- Sturdy castor mount for smooth travel under load
- Wider wheel base improves tip resistance under single-sided loads
- Mounting hardware for the castors included

TECHNICAL SPECIFICATIONS

- Dimensions (L x W x H): 805 x 425 x 245 mm
- Function: mount for running and swivel castors
- Material: powder-coated steel
- Colour: brilliant blue
- Scope of delivery: mounting hardware for castors included
- Fits: Fetra cantilever-arm trolleys

APPLICATIONS

Retrofit and spare part for the chassis of Fetra cantilever-arm trolleys.

NOTES

Manufactured in Germany by Fetra (Borgholzhausen). 10-year warranty. Dimensioned to the Fetra system, mounting hardware included.
