

Support Arm 600 mm with PVC sleeve - Fetra E4614-1TA

Item no. FE-E4614-1TA

Manufacturer Fetra

EAN 4017976414614

600 mm support arm for extending or retrofitting Fetra cantilever-arm trolleys, single-sided design. The PVC sleeve protects long stock from pressure marks. Mounting hardware is included.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87169090
Warranty	10 years
Weight	2.4 kg

DESCRIPTION

The E4614-1TA support arm extends or replaces the cantilever arms on Fetra cantilever-arm trolleys, widening the holding capacity for long stock. The usable arm length is 600 mm in single-sided design.

KEY BENEFITS

- 600 mm reach, fitting the Fetra hole pattern
- PVC sleeve protects sensitive surfaces and tube stock from pressure marks
- Mounting hardware included, height-adjustable mounting

TECHNICAL SPECIFICATIONS

- Arm length: 600 mm
- Design: single-sided
- Surface / protection: PVC sleeve
- Colour: brilliant blue
- Supplied as: single arm
- Scope of delivery: mounting hardware included
- Fits: Fetra cantilever-arm trolleys

APPLICATIONS

For storing and transporting pipes, profiles, bars and long stock on Fetra cantilever-arm trolleys.

NOTES

Manufactured in Germany by Fetra (Borgholzhausen). 10-year warranty. Dimensioned to the Fetra system, mounting hardware included.
