

Polyamide Castor Set up to 2,500 kg, 200 mm Wheels - Fetra 1568

Item no. FE-1568

Manufacturer Fetra

EAN 4017976015682

Heavy-duty polyamide castor set rated up to 2,500 kg for the large Fetra tilting skips 6090 and 6120. The 200 mm polyamide wheels carry even full swarf and scrap containers safely and resist oil and rough floors.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	China
HS-Code	73269098
Warranty	10 years
Weight	14 kg

DESCRIPTION

The 1568 castor set makes the large Fetra tilting skips 6090 and 6120 mobile. With a set load capacity up to 2,500 kg, even fully loaded tilting containers move safely through production and workshop.

KEY BENEFITS

- Set load capacity up to 2,500 kg for large tilting skips
- 200 mm polyamide wheels, resistant to oil and swarf
- Fits tilting skips 6090 and 6120
- Low-maintenance and durable in heavy-duty use
