

## Tipping Skip 600 Litre 750 kg, with Fork Pockets - Fetra 4703A-7016

Item no. FE-4703A/7016

Manufacturer Fetra

EAN 4017976247038

Sturdy steel tipping skip with 600 litre capacity and 750 kg load rating in the Grey Edition RAL 7016, for collecting and emptying swarf, bulk material and residues. The trough tips for clean edge-emptying; four swivel castors with TotalStop brake keep it stable. The drain tap lets adhering liquids run off in a controlled way.

| Warranty               | 10 years |
| Weight                 | 96 kg    |

### DESCRIPTION

The Fetra 4703A-7016 collects swarf, bulk material and residues right at the workstation and empties them over the edge into a container or press via the tipping steel trough. With 600 litre capacity and a 750 kg load rating it is built for continuous use in machining shops and industry with drain tap for controlled draining of coolant.

### KEY BENEFITS

- 750 kg load capacity, 600 litre trough in robust sheet steel
- Tipping trough for clean edge-emptying without re-handling
- Four swivel castors, two with TotalStop brake (wheel and swivel locked)
- 200 mm wheels with TPE tyres for quiet, floor-friendly travel
- Drain tap for controlled separation of swarf and coolant

### TECHNICAL DATA

- Total load capacity: 750 kg
- Trough capacity: 600 litre
- Box dimensions (L x W x H): 1.321 x 794 x 735 mm
- Tipping-edge height with castors: 843 mm
- Tyres: TPE, wheel diameter 200 mm
- Overall dimensions (L x W x H): 1458 x 855 x 1099 mm
- Net weight: 96 kg
- Version: with drain tap

- Finish: Grey Edition RAL 7016

## **APPLICATIONS**

For machining shops, workshops and production: collecting and emptying metal swarf, bulk material and residues, and separating adhering liquids. The tipping trough shortens disposal runs at the workstation.

## **ACCESSORIES**

A matching hinged lid and an anti-slip safety chain are available.

## **QUALITY AND SERVICE**

Made in Germany, 10-year warranty.
