

Self-Tipping Skip 900 Litre 2000 kg with drain tap - Fetra 6090A

Item no. FE-6090A

Manufacturer Fetra

EAN 4017976160900

Steel self-tipping skip with 900 litre capacity and 2000 kg load rating for chips, bulk goods and waste. The tipping mechanism releases against a fixed stop and empties the container automatically, so the operator never has to leave the tow tractor.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73090090
Warranty	10 years
Weight	185 kg

DESCRIPTION

The 6090A self-tipping skip moves heavy chips, bulk material and production waste across the plant and discharges it hands-free at the collection point. It holds 900 litres and carries up to 2000 kg, clearing a full machine batch in a single run.

BENEFITS

- Automatic tipping: release the catch, drive against a stop, the body tips out fully and returns to position by itself
- 900 litre capacity at 2000 kg load rating for high throughput per trip
- Welded steel construction with powder-coated finish for continuous use in production and foundry work
- Drain tap for controlled draining of liquids and coolant-laden chips

TECHNICAL DATA

- Load capacity: 2000 kg
- Capacity: 900 litres
- Box length: 1235 mm
- Overall dimensions (L x W x H): 1294 x 1660 x 843 mm
- Version: with drain tap

APPLICATIONS

Chip handling at turning and milling machines, bulk and waste handling in manufacturing, foundries and recycling.

QUALITY AND WARRANTY

Made in Germany. Fetra grants a 10-year warranty on construction and workmanship.
