

Tipping Container 300 Litre 750 kg - Fetra 6230

Item no. FE-6230

Manufacturer Fetra

EAN 4017976166230

Steel tipping container with 300 litre capacity and 750 kg load rating for collecting and discharging chips and bulk goods. It is picked up by forklift or crane and tipped out under control via the tipping mechanism.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73101000
Warranty	10 years
Weight	78 kg

DESCRIPTION

The 6230 tipping container collects chips, bulk material and production waste right at the machine and is lifted by forklift or crane for emptying. With 300 litres of capacity and a 750 kg load rating, it consolidates the output of several workstations into one unit.

BENEFITS

- Controlled discharge via the tipping mechanism, the body latches back into the home position
- 300 litre capacity at 750 kg load rating
- Fork pockets and crane eyes for handling by industrial truck or crane
- Welded, powder-coated steel construction for continuous duty

TECHNICAL DATA

- Load capacity: 750 kg
- Capacity: 300 litres
- Box length: 1095 mm
- Overall dimensions (L x W x H): 1313 x 690 x 586 mm
- Version: without drain tap

APPLICATIONS

Chip collection at machine tools, bulk and waste handling in manufacturing and foundries.

QUALITY AND WARRANTY

Made in Germany. Fetra grants a 10-year warranty on construction and workmanship.
