

Hinged Lid Two-Sided for Tipping Skip 4704 - Fetra 47D4-7016

Item no. FE-47D4/7016

Manufacturer Fetra

EAN 4017976534770

Hinged lid for the 4704 tipping skip (Grey Edition RAL 7016), opening from both sides. Protects the load from weather and dirt and keeps bulk material safely inside the trough.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73269098
Warranty	10 years
Weight	22 kg

DESCRIPTION

The Fetra 47D4-7016 hinged lid closes the trough of the 4704 tipping skip and opens from both sides, so filling and emptying can be done from whichever side suits. It protects the load from weather, dust and splash water.

KEY BENEFITS

- Exact fit for tipping skip 4704
- Opens from both sides for flexible filling and emptying
- Protects the load from weather, dust and dirt
- Painted steel, brilliant blue, Grey Edition RAL 7016

TECHNICAL DATA

- Suitable for: tipping skip 4704
- Dimensions (L x W): 1321 x 1044 mm
- Finish: Grey Edition RAL 7016
- Net weight: 22.0 kg

APPLICATIONS

Accessory for tipping skips indoors and outdoors, where the load must be covered or bulk material kept securely inside the trough.

QUALITY AND SERVICE

Made in Germany, 10-year warranty.
