

Package Platform Trolley 600 kg 1200 x 800 mm - Fetra 8383-1

Item no. FE-8383-1

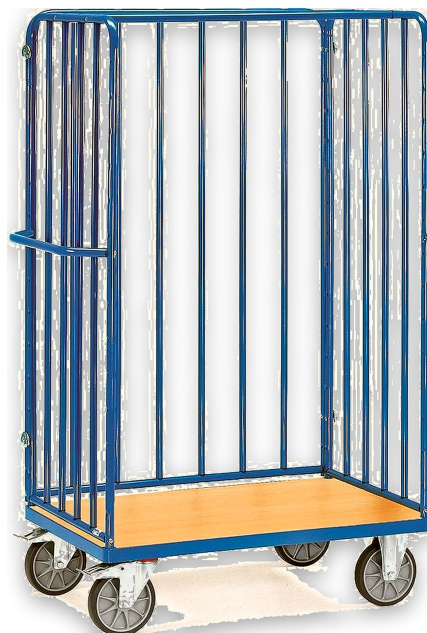

Manufacturer Fetra

EAN 4017976838311

Heavy-duty package trolley in powder-coated steel for in-plant parcel and general-cargo handling, rated to 600 kg. The 1200 x 800 mm load deck with tubular braces keeps the load together, while 200 mm wheels with TPE tyres run quietly and leave no marks on workshop floors.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	70 kg

DESCRIPTION

The Fetra package trolley 8383-1 moves parcels, containers and general cargo reliably through warehouse, shipping and production areas. With 600 kg capacity and a 1200 x 800 mm load deck with tubular braces, it carries a full round in one trip instead of several.

KEY BENEFITS

- 600 kg total load capacity - built for continuous duty in production and logistics.
- 1200 x 800 mm load area with tubular braces for boxes, containers and bulky cargo.
- 200 mm wheels with TPE tyres, two of them swivel castors, run quietly and leave no marks on sensitive floors.
- Total-stop parking brake locks both wheel rotation and swivel with one press of the pedal.
- Torsion-resistant, powder-coated steel frame, made in Germany, with a 10-year warranty.

TECHNICAL DATA
