

Wire Mesh Shelf 650 x 510 mm for Order-Picking Trolley - Fetra 28DG0

Item no. FE-28DG0

Manufacturer Fetra

EAN 4017976281902

Hook-in wire mesh shelf 650 x 510 mm for the Fetra order-picking trolleys. Rated 40 kg, the open mesh lets dirt and liquid fall through.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87169090
Warranty	10 years
Weight	3.52 kg

DESCRIPTION

The Fetra 28DG0 wire mesh shelf adds a further 650 x 510 mm storage level to the order-picking trolleys. The open steel mesh carries 40 kg and lets dust and liquids fall through instead of collecting on the surface.

KEY BENEFITS

- Extra 650 x 510 mm storage level rated 40 kg
- Open mesh lets dirt and liquid pass through, easy to clean
- Hooks into the slot pattern of the picking trolleys without tools

TECHNICAL DATA

- Usable area: 650 x 510 mm
- Load capacity: 40 kg
- Net weight: 3.52 kg
- Construction: galvanised steel mesh

NOTE

Accessory for the Fetra order-picking trolleys.

QUALITY AND SERVICE

Made in Germany, 10-year warranty.
