

Wire Mesh Shelf 850 x 610 mm for Order-Picking Trolley - Fetra 28DG1

Item no. FE-28DG1

Manufacturer Fetra

EAN 4017976281919

Hook-in wire mesh shelf 850 x 610 mm for the Fetra order-picking trolleys. Rated 80 kg, the open mesh lets dirt and liquid fall through.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87169090
Warranty	10 years
Weight	5.5 kg

DESCRIPTION

The Fetra 28DG1 wire mesh shelf adds a further 850 x 610 mm storage level to the order-picking trolleys. The open steel mesh carries 80 kg and lets dust and liquids fall through instead of collecting on the surface.

KEY BENEFITS

- Extra 850 x 610 mm storage level rated 80 kg
- Open mesh lets dirt and liquid pass through, easy to clean
- Hooks into the slot pattern of the picking trolleys without tools

TECHNICAL DATA

- Usable area: 850 x 610 mm
- Load capacity: 80 kg
- Net weight: 5.5 kg
- Construction: galvanised steel mesh

NOTE

Accessory for the Fetra order-picking trolleys.

QUALITY AND SERVICE

Made in Germany, 10-year warranty.
