|------------------------|----------|
| Ausführungsklasse      | TEC      |
| Country of Manufacture | Germany  |
| HS-Code                | 87169090 |
| Warranty               | 10 years |
| Weight                 | 7 kg     |

### DESCRIPTION

The Fetra 28DG2 wire mesh shelf adds a further 1250 x 610 mm storage level to the order-picking trolleys. The open steel mesh carries 80 kg and lets dust and liquids fall through instead of collecting on the surface.

### KEY BENEFITS

- Extra 1250 x 610 mm storage level rated 80 kg
- Open mesh lets dirt and liquid pass through, easy to clean
- Hooks into the slot pattern of the picking trolleys without tools

### TECHNICAL DATA

- Usable area: 1250 x 610 mm
- Load capacity: 80 kg
- Net weight: 7 kg
- Construction: galvanised steel mesh

### NOTE

Accessory for the Fetra order-picking trolleys.

## **QUALITY AND SERVICE**

Made in Germany, 10-year warranty.
