

Folding Steps 3-Step for Galvanised Order-Picking Trolleys 510 mm - Fetra 28TS5

Item no. FE-28TS5

Manufacturer Fetra

EAN 4017976328058

Folding steps with 3 treads for galvanised fetra order-picking trolleys 510 mm wide, top step 600 mm high, reach height approx. 2,800 mm. Under load the steps block the trolley securely.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73269030
Warranty	10 years
Weight	12.7 kg

DESCRIPTION

The 28TS5 folding steps turn galvanised fetra order-picking trolleys (510 mm wide) into a safe climbing aid for high rack levels. Under load the steps rest firmly on the floor and block the trolley, while a catch prevents tipping.

KEY BENEFITS

- 3 steps, top one 600 mm high, reach height approx. 2,800 mm
- Steps block the trolley under load, catch prevents tipping
- Treads of non-slip wooden boards on steel-tube stiles
- Easy to fold up via gas spring, with projecting tubular handles to hold on to

TECHNICAL DATA

- Steps: 3, top one 600 mm high
- Reach height: approx. 2,800 mm
- Treads: non-slip wooden boards
- Trolley width: 510 mm, overall length increases by 100 mm
- Note: cannot be combined with drawbar and coupling

APPLICATIONS

For picking from high racks where upper levels must be reached safely without a separate ladder.

QUALITY AND SERVICE

Made in Germany, 10-year warranty.
