DESCRIPTION

The 6404VZ platform truck moves heavy and bulky loads across hall, yard and ramp. The flat load deck of 1200 x 800 mm carries up to 1000 kg, and the drawbar steering guides the truck precisely even when loaded.

BENEFITS

- Flat load deck 1200 x 800 mm for general goods, crates and palletised loads
- 1000 kg load rating on four 400 mm wheels
- solid rubber tyres and drawbar steering for smooth running and tight turning circles
- Welded steel frame, powder-coated and built for continuous duty
- Tow eye for coupling to tow tractors and tugger trains in in-plant traffic
