

Appliance Truck 400 kg, 300 x 100 mm pneumatic tyres (interchangeable) - Fetra 11050

Item no. FE-11050

Manufacturer Fetra

EAN 4017976010502

Steel appliance truck with 400 kg capacity for machines, equipment and bulky loads. 300 x 100 mm pneumatic tyres (interchangeable) and a cranked 550 x 190 mm blade ensure safe pick-up of heavy goods.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	56 kg

DESCRIPTION

The Fetra appliance truck 11050 moves machines, household appliances and heavy single loads of up to 400 kg. The cranked blade and tall handle keep the load secure.

BENEFITS

- 400 kg capacity for equipment, machines and unit loads
- 300 x 100 mm pneumatic tyres (interchangeable) for easy running over yards, ramps and sills
- Cranked 550 x 190 mm blade grips the load positively
- Height-adjustable from 1300 to 1560 mm to suit load and operator
- Torsion-resistant tubular steel frame, powder coated
