

Ratchet Tie-Down Strap 500 daN, 5 m - Fetra 11057

Item no. FE-11057

Manufacturer Fetra

EAN 4017976010472

Ratchet tie-down strap for load securing, permissible lashing capacity 500 daN. Length 5 m, width 25 mm, red. The ratchet generates high pre-tension and holds bulky loads firmly on trucks and trolleys.

TECHNICAL DATA

Ausführungsklasse	TEC
Colour	Red
Country of Manufacture	China
HS-Code	63079098
Warranty	10 years
Weight	0.3 kg

DESCRIPTION

The Fetra 11057 tie-down strap secures the load with high pre-tension via a ratchet buckle. The permissible lashing capacity is 500 daN, twice that of the quick-release lashing strap.

KEY BENEFITS

- Permissible lashing capacity 500 daN for demanding load securing
- Mini ratchet generates high, controllable pre-tension
- Strap length 5 m for large wrap-arounds
- Universally usable on all fetra truck types

TECHNICAL DATA

- Permissible lashing capacity: 500 daN
- Length: 5000 mm
- Width: 25 mm
- Colour: red
- Buckle: mini ratchet
- Weight: 0.3 kg

APPLICATIONS

For securing heavy and bulky loads during in-plant transport, delivery and on site.
