| Ausführungsklasse      | TEC      |
| Country of Manufacture | Germany  |
| HS-Code                | 73269098 |
| Warranty               | 10 years |
| Weight                 | 2.9 kg   |

### DESCRIPTION

The Fetra gas cylinder wall bracket 51232 secures 2 steel cylinders of Ø 320 mm to the wall, saving floor space. Cylinders stay firmly held while the floor area stays clear for work and traffic.

### KEY BENEFITS

- Holds 2 steel cylinders of Ø 320 mm
- Safety chain prevents the cylinder from tipping
- Welded steel construction, powder-coated
- Space-saving wall mounting keeps the floor clear

### TECHNICAL DATA

- Number of cylinders: 2
- Cylinder diameter: Ø 320 mm
- Fixing: wall mounting with safety chain
- Net weight: 2.9 kg
- Material: steel, powder-coated

### APPLICATIONS

Storage of compressed-gas and welding-gas cylinders in workshops, labs, service trucks and stores.

## **QUALITY AND WARRANTY**

Made in Germany, 10-year warranty.
