

Drum Truck 250 kg solid rubber tyres - Fetra 2080

Item no. FE-2080

Manufacturer Fetra

EAN 4017976020808

Drum truck for safely moving 200-litre drums, rated at 250 kg. The shaped drum claw grips the barrel positively and the solid rubber tyres roll smoothly.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	20 kg

DESCRIPTION

The Fetra drum truck 2080 moves 200-litre drums upright and tip-safe. Rated at 250 kg with a sturdy steel drum claw that grips the barrel positively, taking the strain out of moving heavy containers.

KEY BENEFITS

- 250 kg capacity for full 200-litre drums
- Form-fitting drum claw for a secure hold
- solid rubber tyres, 250 mm wheels
- Optional oil-tight tray (100 mm high) available

TECHNICAL DATA

- Tragkraft: 250 kg
- Radgröße: 250 mm
- Bereifung: Vollgummibereifung
- Gesamtbreite: 640 mm
