

Scissor Lift Pallet Truck 1000 kg, fork length 1.165 mm - Fetra 6815

Item no. FE-6815

Manufacturer Fetra

EAN 4017976068152

Hydraulic scissor lift pallet truck that raises the pallet to a comfortable working height. 1000 kg capacity and 1.165 mm fork length for ergonomic picking and processing without bending.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	China
HS-Code	84279000
Warranty	10 years
Weight	110 kg

DESCRIPTION

The Fetra scissor lift pallet truck 6815 combines pallet transport with a scissor lift that brings the load to an ergonomic working height. This avoids bending during picking, assembly and work directly on the pallet. The capacity is 1000 kg.

KEY BENEFITS

- 1000 kg capacity for pallets and heavy loads
- Hydraulic scissor lift raises the load to working height
- 1.165 mm fork length for Euro pallets and mesh boxes
- Foot pedal or drawbar lift for stepless raising
- Castors for safe movement of the load

TECHNICAL DATA

- Load capacity: 1000 kg
- Fork length: 1.165 mm
- Lift type: hydraulic scissor lift
- Net weight: 110 kg
- Material: steel, painted
