

Scissor Lift Table Truck 700 x 450 mm, 150 kg, lift 265-755 mm - Fetra 6831

Item no. FE-6831

Manufacturer Fetra

EAN 4017976068312

Mobile scissor lift table truck with 150 kg capacity that raises the 700 x 450 mm platform from 265 to 755 mm by foot pump. Loads reach an ergonomic working height and move without straining the back.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	China
HS-Code	84279000
Warranty	10 years
Weight	41 kg

DESCRIPTION

The Fetra 6831 scissor lift table truck combines transport and ergonomic lifting in one unit. The foot pump raises the 700 x 450 mm platform steplessly from 265 to 755 mm, so workpieces and containers up to 150 kg are loaded and unloaded at a comfortable working height.

KEY BENEFITS

- 150 kg capacity across a 265 to 755 mm lift range
- Hydraulic foot pump for back-friendly lifting without a power supply
- 100 mm polyurethane swivel castors, two with brakes
- Sturdy powder-coated steel construction

TECHNICAL DATA

- Capacity: 150 kg
- Platform: 700 x 450 mm
- Lift range: 265 - 755 mm
- Wheel size: 100 mm
