Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	44219999
Warranty	10 years
Weight	10 kg

DESCRIPTION

The Fetra 2358 moves heavy furniture, crates and equipment without lifting. The plywood platform with anti-slip surface measures 800 x 600 mm and carries 500 kg.

KEY BENEFITS

- 500 kg load capacity on a compact 800 x 600 mm deck
- Four swivel castors with solid rubber 125 mm tyres for full on-the-spot manoeuvrability
- Anti-slip surface on the plywood platform keeps the load from sliding
- Low 175 mm build height for effortless loading and unloading

TECHNICAL DATA

- Load capacity: 500 kg
- Platform: 800 x 600 mm
- Overall height: 175 mm
- Tyres: solid rubber, wheel diameter 125 mm
- Platform: plywood with anti-slip surface

APPLICATIONS

For removals, warehousing, wholesale and workshops where heavy loads travel short distances in tight spaces.

QUALITY AND SERVICE

Made in Germany, 10-year warranty.
