

Furniture Lift Roller with Spindle Winch 600 kg - Fetra 6980

Item no. FE-6980

Manufacturer Fetra

EAN 4017976069807

Furniture lift roller with hand spindle winch that raises and moves loads up to 600 kg safely. The winch lifts from 10 to 300 mm, making the relocation of cabinets and machines a one-person job.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73269098
Warranty	10 years
Weight	45 kg

DESCRIPTION

The Fetra 6980 furniture lift roller raises cabinets, machines and heavy furniture up to 600 kg with a hand spindle winch and moves them on 160 mm elastic solid-rubber rollers. The 10 to 300 mm lift is enough to free the load from the floor and reposition it single-handed.

KEY BENEFITS

- Capacity 600 kg
- Hand spindle winch for controlled lifting (10 to 300 mm)
- 160 mm elastic solid-rubber rollers, floor-friendly
- Ladeplatte 300 x 110 mm

TECHNICAL DATA

- Capacity: 600 kg
- Lift range: 10 - 300 mm
- Roller diameter: 160 mm
- Tyres: elastic solid rubber
- Load plate: 300 x 110 mm

APPLICATIONS

Relocating cabinets, machines and heavy furniture single-handed.

QUALITY AND WARRANTY

Made in Germany, 10-year warranty.
