

## Folding Ruler Longlife® Plus 2 m Metric, 10 Segments, 15 mm - Wiha 27055

Item no. WH-27055

Manufacturer Wiha

EAN 4010995270551

The Wiha Longlife® Plus folding ruler 4102001 measures up to 2 m in metric with 10 segments and 15 mm segment width. A dual-sided scale (recto-verso) allows reading from both sides without turning the ruler, while wear-resistant metal ends on the first and last segments ensure a long service life.

### TECHNICAL DATA

### DESCRIPTION

The Longlife® Plus 2 m folding ruler combines easy readability with long-lasting durability. Its recto-verso scale means the metric graduation is visible from either side of the ruler, saving time and reducing errors during measurements.

### BENEFITS

- Dual-sided scale (recto-verso) enables reading from both sides without turning the ruler
- Wear-resistant metal ends on first and last segments for extended service life
- 15 mm wide segments for clear metric scale readability
- Yellow colour for high visibility on the work site

### TECHNICAL DATA

- Measuring range: 2 m
- Number of segments: 10
- Segment width: 15 mm
- Colour: yellow
- Folded dimensions: 235 x 32 x 15 mm (LxWxD)
- Scale: metric, dual-sided

### APPLICATIONS

For length and distance measurement on construction sites, in trades and industry. Made in

Switzerland, HS 90178010.
