

Hammer Housing Set 60 mm with Screw and Locknut for Safety Soft-Faced Hammer - Wiha 26671

Item no. WH-26671

Manufacturer Wiha

EAN 4010995266714

Spare part set for the Wiha Safety soft-faced hammer 60 mm: two powder-coated malleable cast iron shells including screw and locknut. The set enables a complete overhaul of the hammer housing after wear, extending the service life of the hammer cost-effectively.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Poland
HS-Code	82052000
Weight	1.017 kg

DESCRIPTION

The Wiha hammer housing set 26671 contains two powder-coated malleable cast iron shells along with the matching screw and locknut for the Safety soft-faced hammer with a 60 mm hammer face. Replacing the shells restores the original function of the hammer housing.

BENEFITS

- Complete spare part set with shells, screw and locknut
- Powder-coated malleable cast iron for durability and corrosion protection
- Cost-effective repair option to extend hammer service life
- Dimensions: 202 x 77 x 61 mm (L x W x D)

TECHNICAL DATA

- Hammer face diameter: 60 mm
- Scope of delivery: 2 malleable cast iron shells, 1 screw, 1 locknut
- Dimensions: 202 x 77 x 61 mm (L x W x D)
- Material: powder-coated malleable cast iron

APPLICATIONS

Spare part for the Wiha Safety soft-faced hammer with 60 mm hammer face. The two shells are assembled with the included screw and locknut, securing the hammer face within the housing.

Made in Poland. HS code: 82052000.
