

Water Pump Pliers Classic with Push Button 250 mm - Wiha 26765

Item no. WH-26765

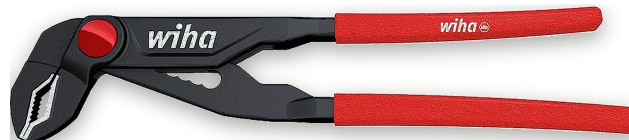

Manufacturer Wiha

EAN 4010995267650

Water pump pliers with box-type joint and 9-level push-button detent adjustment for instant gripping width setting up to 50 mm at the push of a button. Self-clamping profile prevents slipping on the workpiece, and the integrated clamping protection eliminates crush injuries. 250 mm, made in Germany.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	82032000
Weight	0.386 kg

STANDARDS & COMPLIANCE

DIN ISO 8976

DESCRIPTION

The Wiha Water Pump Pliers Classic 250 mm with push button combines the proven stability of the box-type joint with convenient one-touch quick adjustment. The 9-level detent allows precise gripping width setting without repositioning the hand, enabling efficient and safe work on pipes, nuts and profiles of all kinds.

BENEFITS

- Push-button quick adjustment for one-handed gripping width setting
- 9-level detent for flexible adaptation to different workpiece diameters
- Box-type joint with double guidance for maximum stability
- Self-clamping gripping profile prevents slipping on pipes and nuts
- Integrated clamping protection eliminates crush injuries
- Anti-slip plastic handles for a secure grip even in oily environments

TECHNICAL DATA

- Overall length: 250 mm (10")
- Product dimensions: 255 x 60 x 18 mm (L x W x D)
- Spanner size: 50 mm
