

Water Pump Pliers Industrial 250 mm with Push Button Adjustment - Wiha 32352

Item no. WH-32352

Manufacturer Wiha

EAN 4010995323523

Water pump pliers in chrome vanadium molybdenum steel with a 9-step push-button detent adjustment (jaw opening up to 50 mm / pipe diameter 2 inches) and box-type joint for maximum stability. Integrated clamping protection and self-clamping on pipes. Manufactured to DIN ISO 8976.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Vietnam
HS-Code	82032000
Weight	0.412 kg

STANDARDS & COMPLIANCE

DIN ISO 8976

DESCRIPTION

The Wiha Industrial Water Pump Pliers with push button combine the proven 9-step detent adjustment with one-hand push-button operation for fast and precise setting of the gripping width without changing tools. The box-type joint with double guidance ensures exceptional stability even under high load.

BENEFITS

- 9-step push-button detent - one-hand adjustment of gripping width up to 50 mm
- Box-type joint with double guidance - maximum stability under high torque
- Integrated clamping protection - no crushing injuries when adjusting
- Self-clamping on pipes and nuts - prevents slipping off the workpiece
- Anti-slip plastic handles - secure grip even in oily or wet environments
- Specially hardened teeth in CVM steel - durable, secure gripping performance

TECHNICAL DATA

- Overall length: 250 mm (10 inches)
- Dimensions: 260 x 70 x 28 mm (L x W x D)
- Spanner size: 50 mm
