

Nut Driver Insert Gripper 3/8", 7-19 mm, 54 Steel Pins, SB Packaging - Wiha 20554

Item no. WH-20554

Manufacturer Wiha

EAN 4010995205546

The Wiha Gripper 246-01 3/8" is a multi-functional nut driver insert with 54 spring-loaded steel pins that adapt to any screw or nut with an external profile from 7 to 19 mm - including uncommon shapes such as hook screws or eye bolts. It transmits torques up to 80 Nm and replaces an entire 7-19 mm nut driver set. Fits all 3/8" square drives.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	United States
HS-Code	82042000
Weight	0.145 kg

STANDARDS & COMPLIANCE

DIN 3120

DESCRIPTION

The Wiha Gripper 246-01 3/8" solves the problem of uncommon screw types: eye bolts, hook screws and other irregular profiles that defeat a standard nut driver set. The 54 spring-loaded steel pins in the alloy steel housing conform to any screw up to 8 mm high or nut with external profile up to 19 mm.

BENEFITS

- 54 spring-loaded steel pins - adapt to any screw up to 8 mm high or nut with external profile 7-19 mm
- Works on uncommon profiles including hook screws and eye bolts - replaces specialist tooling
- Torque transmission up to 80 Nm - sufficient for demanding applications
- Replaces a 7-19 mm nut driver set - one tool, many tasks
- 3/8" square drive to DIN 3120 style C 10 - compatible with standard ratchet tools
- Compact design 53.5 mm length - space-saving alternative in the toolbox

TECHNICAL DATA

- Drive: 3/8" outside square, DIN 3120, style C 10
- Screw range (external profile): 7 to 19 mm

Page 1/2

- Maximum screw/nut height: 8 mm
- Diameter: 25.4 mm
- Overall length: 53.5 mm
- Dimensions: 130 x 72 x 28 mm (L x W x D)
- Housing material: alloyed steel
- Pins: 54 hardened steel pins, spring-loaded
- Maximum torque: 80 Nm

APPLICATIONS

Particularly suited for maintenance and repair work where unknown or unusual screw profiles are encountered. Ideal for mobile use: the Gripper replaces a complete nut driver set and saves space in the tool case. Fits 3/8" ratchet heads, T-handles and breaker bars.

Made in USA. HS code 8204.20.00. For all screws with external profile up to 19 mm.
