

Screwdriver Set SoftFinish Slotted, Phillips 6-pcs. Ergonomic for Dry Applications - Wiha 07152

Item no. WH-07152

Manufacturer Wiha

EAN 4010995071523

The Wiha SoftFinish 6-piece set with slotted and Phillips screwdrivers transfers hand force optimally thanks to handle sizes matched to each fastening task. The ergonomic SoftFinish handle is recommended by doctors and therapists of the German AGR campaign and is particularly suited to dry environments. Matt chrome-plated chrome vanadium molybdenum steel guarantees a long service life.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	82054000
Weight	0.61 kg

DESCRIPTION

Repeated manual screwdriving puts strain on wrists and muscles over time. The different handle sizes of the SoftFinish concept are always matched to the job at hand: slender handles for small screws requiring speed, large-volume handles for large screws requiring higher torques. The hard-soft zone structure of the handle supports a secure grip during fast and powerful turning. Packaging dimensions: 353 x 237 x 44 mm.

BENEFITS

- Ergonomically shaped SoftFinish handle, recommended by the AGR (German Campaign for Healthier Backs)
- Handle size concept: powerful and sensitive fastening matched to each screw size
- Hard-soft zone structure for an ideal grip during fast, forceful turning
- Roll-off protection and printed screw symbol for efficient working
- Matt chrome-plated chrome vanadium molybdenum steel for long service life
- Particularly suitable for dry applications

TECHNICAL DATA

- Slotted 3.5 x 100 mm, round blade for low-lying screws (00691)
- Slotted 4.5 x 125 mm, round blade for low-lying screws (00697)
- Slotted 5.5 x 150 mm, round blade for low-lying screws (00700)
- Slotted 6.5 x 150 mm, round blade (00703)

- Phillips PH1 x 80 mm, round blade (00756)
- Phillips PH2 x 100 mm, round blade (00759)
- Blade material: chrome vanadium molybdenum steel, matt chrome-plated
- Weight: 610 g

APPLICATIONS

For fastening tasks in trade and industry in dry environments where ergonomic working and reduced wrist strain are required.

Made in Germany. HS code 82054000.
