

Screwdriver Set SoftFinish Slotted, Pozidriv 6-pcs. Ergonomic for Dry Applications - Wiha 07153

Item no. WH-07153

Manufacturer Wiha

EAN 4010995071530

The Wiha SoftFinish 6-piece set with slotted and Pozidriv screwdrivers transfers hand force optimally through handle sizes always matched to the fastening task. The ergonomically shaped SoftFinish handle is recommended by doctors and therapists of the German AGR campaign. Supplementary sizes to DIN dimensions, with chrome-vanadium steel for sustained use.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	82054000
Weight	0.606 kg

DESCRIPTION

The different handle sizes of the SoftFinish concept protect wrists and muscles: slender handles for small screws, large-volume handles for large screws requiring higher torques. The various handle sizes are matched to the consistently same-sized hand of fastening professionals. Packaging dimensions: 353 x 237 x 44 mm.

BENEFITS

- Ergonomically shaped SoftFinish handle, recommended by the AGR (German Campaign for Healthier Backs)
- Handle size concept for powerful and sensitive fastening
- Hard-soft zone structure on the handle for an ideal grip during turning
- Roll-off protection and printed screw symbol for efficient working
- Supplementary sizes to DIN dimensions
- Particularly suitable for dry applications

TECHNICAL DATA

- Slotted 3.5 x 100 mm, round blade for low-lying screws (00691)
- Slotted 4.5 x 125 mm, round blade for low-lying screws (00697)
- Slotted 5.5 x 150 mm, round blade for low-lying screws (00700)
- Slotted 6.5 x 150 mm, round blade (00703)
- Pozidriv PZ1 x 80 mm, round blade (00770)

- Pozidriv PZ2 x 100 mm, round blade (00772)
- Blade material: chrome-vanadium steel
- Weight: 606 g

APPLICATIONS

For professional fastening tasks in trade and industry in dry environments, particularly where Pozidriv screws are used.

Made in Germany. HS code 82054000.
