

Water Pump Pliers QuickFix Classic Automatic 250 mm - Wiha 39094

Item no. WH-39094

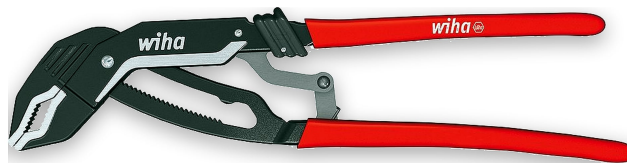

Manufacturer Wiha

EAN 4010995390945

The Wiha QuickFix Classic water pump pliers with automatic jaw adjustment grip and hold pipes, hexagon nuts and angular profiles securely in installation work. A fine-tooth slide joint combined with a box-type joint delivers maximum variability and high stability. Anti-slip plastic handles and integrated clamping protection ensure safe use even in oily or wet conditions.

TECHNICAL DATA

Ausführungsklasse	TEC
HS-Code	82032000
Weight	0.375 kg

STANDARDS & COMPLIANCE

DIN ISO 8976

DESCRIPTION

The Wiha QuickFix Classic water pump pliers, 250 mm overall length (jaw opening 40 mm, pipe diameter 1 1/2"), allow fast and precise gripping without manual presetting. The jaw automatically adjusts to the workpiece upon contact, thanks to the detent adjustment mechanism.

BENEFITS

- Automatic jaw adjustment via fine-tooth slide joint - no manual repositioning needed
- Box-type joint with double guidance for high stability under load
- Integrated clamping protection prevents crushing injuries at the joint
- Slim head and joint profile provides access in confined spaces
- Anti-slip plastic handles with self-clamping action on pipes and nuts
- Specially hardened teeth retain grip after long-term use

TECHNICAL DATA

- Overall length: 250 mm (10")
- Jaw opening: 40 mm
- Pipe diameter: 1 1/2"
- Product dimensions: 255 x 60 x 18 mm (L x W x D)

APPLICATIONS

Suitable for turning, pulling, gripping and holding pipes, and for tightening or loosening screws and nuts in plumbing and heating installation. Works on round and angular workpieces in a wide range of dimensions. Dirt resistant for workshop environments.

Made in Slovenia. Standard: DIN ISO 8976.
