

BiCut Professional electric High-Performance Diagonal Cutters DynamicJoint Switchable 200 mm - Wiha 38191

Item no. WH-38191

Manufacturer Wiha

EAN 4010995381912

The Wiha BiCut® Professional electric is the insulated high-performance diagonal cutter for working safely on live parts up to 1,000 V AC. Individually tested and VDE-certified to IEC 60900. DynamicJoint® switches cutting force from 100% to 200% at the press of a button, halving the hand force required and protecting muscles and tendons. Cuts cables, nails, screws, wire rope, spring wire and chains. 200 mm.

TECHNICAL DATA

Ausführungsklasse	TEC
Certification	IEC 60900
Country of Manufacture	Vietnam
HS-Code	82032000
Weight	0.365 kg

STANDARDS & COMPLIANCE

IEC 60900

DESCRIPTION

The BiCut® Professional electric combines the proven DynamicJoint® force principle with full VDE approval to IEC 60900. It handles both standard cutting tasks such as cables and iron nails and extremely hard materials such as bolts and chains - safely in the presence of live parts up to 1,000 V AC. Extra wide handle backs with integrated hard and soft zones and curved handle ends prevent slipping and ensure fatigue-free working.

BENEFITS

- VDE-certified, individually tested to IEC 60900 - safe operation up to 1,000 V AC
- DynamicJoint®: switchable 100% / 200% force - hand force requirement reduced by 50%
- Ergonomic handle backs with hard/soft zones to prevent slipping
- Cuts soft to extremely hard materials: cables, nails, screws, chains
- Overall length 200 mm, for a wide application range

TECHNICAL DATA

- Overall length: 200 mm (8")
- Dimensions: 215 x 60 x 28 mm
- Cutting force: 21
