

Screwdriver Set SoftFinish® Slotted/Phillips 6-pcs. with Hexagon Head - Wiha 21248

Item no. WH-21248

Manufacturer Wiha

EAN 4010995212483

This 6-piece Wiha SoftFinish® set includes four slotted and two Phillips screwdrivers, each with a hexagon bolster that accepts a spanner for applying higher torques. The ergonomic handle with hard and soft zones is recommended by doctors and therapists of the German AGR campaign. Particularly suited to dry applications.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	82054000
Weight	0.646 kg

DESCRIPTION

Six SoftFinish® screwdrivers covering slotted and Phillips profiles in one compact box. The hexagon bolster on every blade lets you apply a spanner whenever a stuck fastener requires extra torque. Wiha's handle size concept matches grip diameter and length to the screw being driven, making the tool comfortable for both small precision work and heavier fastening.

BENEFITS

- Hexagon bolster on the blade allows spanner use for increased torque
- SoftFinish® handle with hard and soft zones for secure, fatigue-free grip
- Wiha handle size concept: diameter and length matched to the fastening task
- AGR-recommended ergonomics to reduce strain on joints and muscles
- Slender slotted blade for precise engagement in the screw slot

TECHNICAL DATA

- Contents: SoftFinish® Slotted 3.5x75 mm (00731), 4.5x90 mm (00732), 5.5x100 mm (00733), 7.0x125 mm (00735)
- Contents: SoftFinish® Phillips PH1x80 mm (00764), PH2x100 mm (00765)
- Box dimensions: 353 x 237 x 44 mm

APPLICATIONS

Suitable for dry assembly work in industry and trade. Made in Germany.
