

Water pump pliers Professional electric 250 mm with push button adjustment VDE - Wiha 37450

Item no. WH-37450

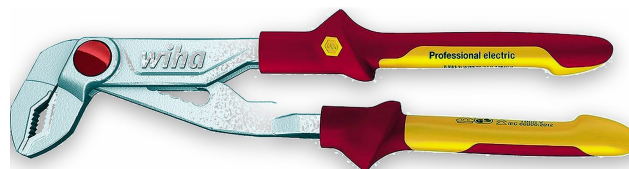

Manufacturer Wiha

EAN 4010995374501

The Wiha water pump pliers Professional electric Z 22 0 06, 250 mm, feature a 9-level push-button detent adjustment for rapid grip width setting on pipes up to 2" and spanner sizes up to 50 mm. Approved for work on live parts up to 1,000 V AC to IEC 60900. The box joint and self-clamping teeth deliver maximum stability even in confined installation areas.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Vietnam
HS-Code	82032000
Weight	0.418 kg

STANDARDS & COMPLIANCE

IEC 60900 DIN ISO 8976

DESCRIPTION

Installation work demands pliers that adapt quickly to different pipe and nut dimensions while maintaining a secure grip - including on live parts. The Wiha Water Pump Pliers Professional electric 250 mm combines a 9-level push-button detent system with IEC 60900-compliant insulation for work up to 1,000 V AC.

BENEFITS

- 9-level push-button detent adjustment for fast, uninterrupted grip width setting
- Box joint with double guidance for maximum stability
- Self-clamping on pipes and nuts prevents slipping
- Slim head and joint profile for access in confined spaces
- VDE-certified to IEC 60900 for safe work up to 1,000 V AC
- Anti-slip, ergonomically shaped handles protect hands and reduce fatigue

TECHNICAL DATA

- Overall length: 250 mm (10")
- Spanner size: 50 mm
- Pipe diameter: 2"
