Weight	0.656 kg

DESCRIPTION

Six of the most frequently needed TORX® round blade screwdrivers in one set: the Wiha 362RK6SO SoftFinish® covers sizes T10 to T40 for setting and tightening TORX® screws in difficult-to-access positions. The round blades also allow use through tight guide bores.

BENEFITS

- Six TORX® sizes T10 to T40 in one set - the most common sizes for industrial and automotive use
- Round blade in CrVMo steel, matt chrome-plated - suitable for use in tight guide sleeves
- SoftFinish® handles, AGR-recommended - ergonomic, low-fatigue operation
- MagicSpring® technology for consistent torque transfer across all sizes
- Compact set for toolboxes and workshop trolleys
