

Soft-faced Hammer Safety Medium Soft Hickory Handle, Round Face 80 mm - Wiha 26439

Item no. WH-26439

Manufacturer Wiha

EAN 4010995264390

The Wiha Safety soft-faced hammer 80 mm features medium-soft black round hammer faces with a recoiling impact effect that reduces operator fatigue during repeated strikes while protecting the workpiece surface from damage. The hickory wooden handle provides a secure non-slip grip and is available as a spare part. Overall length 490 mm, GS tested.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Poland**

HS-Code **82052000**

Weight **3.136 kg**

DESCRIPTION

The Wiha Safety 80 soft-faced hammer combines medium-soft black round faces with a recoiling impact mechanism, making it well suited for paving, tiling and prefabricated house construction where surfaces must be protected from marking.

BENEFITS

- Medium-soft black hammer faces protect sensitive surfaces from scratches and dents
- Recoiling impact effect reduces effort and fatigue when striking repeatedly
- High-grade hickory handle with non-slip surface for a firm, comfortable grip
- Hammer faces and hickory handle available separately as spare parts
- GS tested for professional use

TECHNICAL DATA

- Hammer face diameter: 80 mm
- Overall length: 490 mm
