Ausführungsklasse	TEC
Country of Manufacture	Vietnam
HS-Code	82032000
Weight	0.903 kg

STANDARDS & COMPLIANCE

IEC 60900 DIN ISO 5746 DIN ISO 5749 DIN ISO 5745

DESCRIPTION

Safety is paramount when working on live parts. The Professional electric pliers set from Wiha equips electricians and electrical specialists with three VDE-certified tools: combination pliers with OptiGrip, needle nose pliers with an extra-long head for low-lying components, and diagonal cutters - all tested to IEC 60900. Chrome-plated heads protect against corrosion, and ergonomic multi-component handles with anti-slip protection ensure comfortable, controlled work.

BENEFITS

- VDE-certified to IEC 60900 - safe operation up to 1,000 V AC
- DynamicJoint® reduces cutting effort by up to 20%
- OptiGrip prevents slipping on combination pliers in all working situations
- Needle nose pliers with extra-long head for inserting low-lying components
- Chrome-plated head protects against rust
- Ergonomic multi-component handles with anti-slip protection
