DESCRIPTION

For electricians on construction sites, solar systems or in switchgear who regularly work with slotted, Phillips and Pozidriv fasteners, the Wiha slimVario® 10-pcs. set delivers the right tool selection in a space-saving package. The Stubby handle reaches confined spaces; the long handle transfers greater force - both are compatible with all slimBits.

BENEFITS

- 10 pieces in a robust folding bag: all slotted, Phillips and Pozidriv profiles covered
- Stubby handle and long handle complement each other: confined spaces and higher torque both covered
- slimBits with blades up to 33% slimmer via integrated insulation - low-lying screws are reachable
- Safe operation up to 1,000 V AC - all components individually tested to IEC 60900
- Recommended by doctors and therapists of the German Campaign for Healthier Backs (ergonomic grip)
- All 75 mm slimBits compatible with the Wiha ElectricVario Family
