

Hammer Face Extremely Hard (White) 50 mm for No-Recoil Soft-Faced Hammer - Wiha 39151

Item no. WH-39151

Manufacturer Wiha

EAN 4010995391515

The Wiha hammer face (8001K) in extremely hard (white) with 50 mm diameter is the replacement face for Wiha no-recoil soft-faced hammers of the corresponding size. The extremely hard grade delivers powerful blows without rebound while protecting the workpiece surface. GS tested, made in Germany.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	39269097
Weight	0.067 kg

DESCRIPTION

As a replacement face for Wiha no-recoil soft-faced hammers series 8001 with a 50 mm striking surface, this extremely hard (white) head delivers high impact force with minimal rebound while keeping the target surface undamaged.

BENEFITS

- Extremely hard grade (white) - high impact force transfer with no-recoil strike
- 50 mm diameter - for the matching Wiha no-recoil soft-faced hammer series 8001
- GS tested - confirmed safety for professional use
- Quick to replace - easy swap when worn

TECHNICAL DATA

- Hammer face diameter: 50 mm
- Dimensions: 51 x 51 x 34 mm
- Technical weight: 67 g
- Material hardness: extremely hard (white)
- Approval: GS tested
- Weight: 67 g
- Country of origin: Germany

APPLICATIONS

For Wiha no-recoil soft-faced hammers 8001K wherever high impact energy over a larger surface is needed without damaging it - e.g. in metal processing, assembly and bodywork.
