

Treston BR-4050. Stacking bin rack BR-4050

Item no. TR-BR-4050

Manufacturer Treston

EAN 6416763039012

On BR stands, stacking bin are inclides at a 20-degree angle, enabling the excellent presentation of products. They offer an efficient storage system for daily use when small components are required frequently. This product includes a grey steel frame in an epoxy powder-coated finish and six fixed, forward-sloping storage levels. Stacking bins must be ordered separately
