DESCRIPTION

The Treston TP modular tube frame is the robust base structure for workbenches in the TP series. The well-conceived modular tube system allows flexible, low-tool mounting of worktops, shelves and further accessories.

TECHNICAL DATA

- **Dimensions (WxH):** 900x1850 mm
- **Load capacity:** 300 kg
- **System:** TP modular tube

APPLICATION

Suitable for workshop, assembly and storage. The wider 900 mm form offers more working area and stability, while the 300 kg load capacity covers demanding industrial use.
