DESCRIPTION

The Treston drawer block 90/110-44 is a rugged steel cabinet for the space-saving storage of tools, components and small parts. Seven drawers of varying heights offer plenty of storage with fine division.

TECHNICAL DATA

- **Model:** 90/110-44
- **External dimensions (WxDxH):** 910 x 715 x 1100 mm
- **Drawers:** 3x 100 mm, 4x 150 mm
- **Colour:** Blue
- **Weight:** approx. 183.7 kg

APPLICATIONS

The drawer block suits workshops, assembly areas, stores and production environments. The different drawer heights allow clear sorting, from flat small parts to bulky tools.
