## DESCRIPTION

The Treston wall perforated panel provides ergonomic organisation of tools and accessories at the workstation. The perforated grid lets you arrange tool holders, hooks and bins flexibly, keeping frequently used tools always within reach.

## FEATURES

- Wall-mounted perforated panel
- Colour: blue
- Dimensions (WxH): 949 x 988 mm
- Weight: 13.00 kg

## USE

As a modular component, the perforated panel complements Treston workstations and adds vertical storage space. Ideal for assembly, repair and inspection stations where order and quick access matter.
