DESCRIPTION

The Treston workshop worktop offers an extremely hard-wearing work surface with a 3 mm steel top. It suits assembly, repair and heavy-duty work and withstands high mechanical and thermal loads.

TECHNICAL DATA

- **Article:** 852653-74
- **Type:** workshop worktop with steel surface
- **Steel surface:** 3 mm
- **Width x depth x height:** 1500 x 750 x 50 mm
- **Weight:** 67.82 kg

APPLICATION

Ideal for workshop stations involving welding, assembly or heavy-tool work. The steel surface protects the core and provides a durable, load-resistant top.
