DESCRIPTION

The **divider set 1** from Treston organises drawers of build height 70 (grid 150 and 250) into clear individual compartments. Small parts, tools and components stay sorted and instantly within reach.

FEATURES

- Suitable for Treston drawers of height 70 with 150 and 250 layout
- Set for structured compartment division
- Tool-free installation in the drawer
- Robust design for continuous industrial use

APPLICATION

Ideal for organising workshop, laboratory and assembly workstations where many different small parts need to be stored neatly separated.
