DESCRIPTION

The **Divider Set 6** from Treston (article 873066-49) splits the interior of Treston drawers into clearly defined compartments. It fits drawers of 90, 150 and 250 mm height and turns the open drawer space into a well-ordered store for small parts, tools and accessories.

FEATURES

- Divider set for internal drawer organisation
- Suitable for drawer heights 90, 150 and 250 mm
- Forms fixed compartments for sorted storage
- Compatible with Treston cabinets and workbenches with matching drawers

APPLICATION

Ideal for assembly, repair and laboratory workstations where small parts must be found quickly and stored safely separated.
