DESCRIPTION

The Treston Divider Set 7 organises the drawer 130 with a usable height of 100 mm into clear compartments. Tools, components and small materials stay neatly separated and easy to find.

FEATURES

- Precise fit for the Treston drawer 130/100
- Variant 7 with fixed compartment layout
- Sturdy divider elements for daily use
- Extends modular Treston cabinet and drawer systems

APPLICATION

Ideal for assembly and inspection stations, laboratories and storage areas where many small parts must be kept in order.
