## DESCRIPTION

The Treston BSC001 is a battery kit for motorised height-adjustable benches in the Concept and TED ranges. It enables mains-independent operation of the height adjustment and connects directly to the CBD6S control box.

## SCOPE OF DELIVERY

- Lithium-ion battery
- Mounting set
- Connection cable, 320 mm length

## USE

Accessory for Concept and TED benches with powered adjustment where a mains-independent power supply for the adjustment is required. Connects to the CBD6S control box.
